PIERCE COUNTRY DAY CAMP

Owner/Directors: Will & Courtney

Welcome Summer 2022

Camp started this summer under beautiful sunny skies as our joyful campers got off their busses ready for some sports, arts, swimming, exercise, smiles, friends and so much more...

Camp was in spectacular condition with some great new additions and improvements waiting for our excited kids...

***NINJA** had a bunch of new stations/elements added to its challenging course.

***Sandsational** had a beautiful new playground installed for our younger campers offering a wonderful play-space for their creative enjoyment.

***Think~Fast** is a new program we added to Studio-Row... This fast paced game show like format tests our kids while fun filled laughter fills the studio as they try to beat the buzzer!

* Two of our **Basketball Courts** got renovated, painted and striped.

*Three of our **Junior Development Tennis Courts** also were renovated and painted. These courts can also be converted for the popular new craze **Pickleball!**

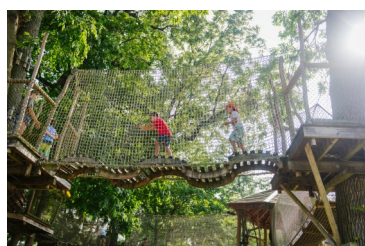

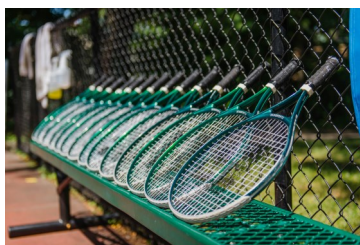

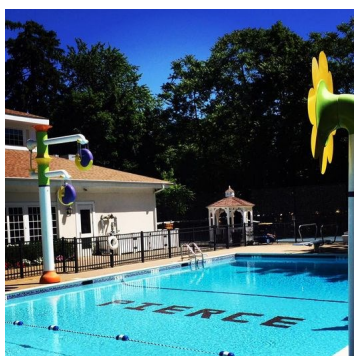

*Two great new **GAGA courts** were added this year as well.

*Two new **paddleboats** were added to our pond at **Sky Fly**.

And a whole lot more...

We are so very proud of our kids, staff, program and facilities...

Enjoy this summer... It is certainly the best time of year!
