## SAMPLE SCHEDULES BY AGE GROUP

Sample Schedules by Age are listed below. Pierce runs a 10 day schedule cycle, so each day is different for 10 consecutive days. Schedules can vary based on camp wide special events, rainy days and/or excessive heat days. For rainy days, we are fortunate to have enough indoor activities and an indoor pool to continue running our programming along with an exclusive rental of a local movie theater and bowling alley for campers 6 and older. For excessively hot days, we are fortunate to have 7 pools which allow us to double everyone's swim time and turn all outdoor activities into water game based activities to stay cool and hydrated.
